

Mt Lawn season opener rained out

The rain that had been predicted all weekend finally make it to Central Indiana and caused the postponement of season opening races at Mt Lawn Speedway.

A good crowd was on hand in anticipation of seeing CRA Late Model Sportsman, VanHoy Oil Thunder Cars, Pro Compacts and FWD Stock Compact do battle at New Castle's historic race track.

Twelve CRA Late Model Sportsman, fifteen Van Hoy Oil Thunder Cars, eighteen Pro Compacts and ten FWD Stock Compacts were on hand ready for racing action.

Rain started just after the first trophy dash which saw David McConnell of Shirley take the win over Tony Stewart of Straughn. The rain let up and the track dried enough to attempt the start of the Pro Compact dash but the rain started again and lightning joined the weather pattern causing track officials to clear the grandstand.

Rain continued which forced track and CRA officials to postpone the event.

A makeup date for the entire program will be announced next week. Rain checks for the grandstand and pits will be honored at future Mt Lawn events.

The next event at Mt Lawn will be on Sunday June 11 with Street Stocks, VanHoy Oil Thunder Cars, Pro Compacts, FWD Stock Compacts, State Farm Insurance Street Drags and Indiana Champ Kart Series on the racing program.
