

Mt Lawn postpones Raintree 100

Mt Lawn Speedway officials announced today the postponement of the 2017 Street Stock Raintree 100 scheduled for Sunday July 9th citing extremely low car count in the Street Stock division at the races on June 11th as the major factor in the decision. According to Rick Sweigart, Mt Lawn owner, “We are exploring our options at this time and will determine what is best and make an announcement as soon as possible”.

July 9th races are still scheduled with Street Stocks, Van Hoy Oil Thunder Cars, Pro Compacts, Stock FWD, Karts and State Farm Insurance Street Drags.
