

## **Mt Lawn postponed again**

**Mt Lawn Speedway officials have cancelled the races for this Sunday July 9<sup>th</sup>. Heavy rains dumped over 1.5 inches of rain late Friday afternoon in a 35 minute time frame and already saturated grounds would not let any of the water escape. Rick Sweigart, Mt Lawn owner said, “We have standing water on the track and in the pit area as of noon Saturday making it impossible to conduct the race this weekend. We have tentatively rescheduled the July 11 races to Aug 27<sup>th</sup>. In 2016 we didn’t have a single rainout and already this year we have had two.”**

**The next schedule event at Mt Lawn will be Sunday July 23 with the Vore’s – CRA Late Model Sportsman, Van Hoy Oil Thunder Cars, Pro Compacts and Stock FWD Compacts in the rescheduled event from May 28<sup>th</sup>. Check the Mt Lawn website, Twitter and Facebook for additional information.**
