

Addendum to Stock FWD Enduro Rules

- 1. Added 60 series tires**
- 2. Catalytic converters not required but exhaust must exit in stock position.**
- 3. Water only in cooling system. No antifreeze.**
- 5. If track officials feel any car is outside the intent of the factory stock FWD rules you will be DQ'd and receive no prize money. If you want to appeal you will pay a \$100 appeal fee and we will impound your car and inspect it at our convenience. If we decide your car is legal you will get your \$100 back plus \$100 inconvenience fee and prize money. If we determine you are not legal you get your car back but lose winnings and the appeal fee.**
- 6. Maximum wheelbase for has been extended to 107 inches. No further extensions will be made.**
