

Mt Lawn postpones July 21st races

Because of forecasted excessive heat indexes for this weekend Mt Lawn Speedway is postponing Sunday's races to a later date. The track will still be available for practice from noon to 5:00 on Saturday. A makeup date will be announced as soon as possible.

Mt Lawn owner Rick Sweigart said "This year has been one for the books. Early season rains caused cancellations and now we have excessive heat. We want to race as much as our competitors and fans but in the interest of all our wellbeing I feel it is best to wait for better conditions."

The Bob Fields Memorial 200 CRA Street Stock race is still on schedule for the 28th of July.
