

## **Extravaganza races finalized**

**Pre-entries have been submitted for the Stock Car extravaganza to be held on Sunday afternoon Sept 29<sup>th</sup> at Mt Lawn Speedway. As a result the Extravaganza will consist of a 150 lap Thunder Car event paying \$1500 to the winner and three separate 50 lap features paying \$500 to win in the Pro Compact, Stock Compact and Crown Vic divisions. Pro Compacts pre-entrants will have \$10 of their entry fees refunded. Because the Pro Compacts were originally scheduled for a 100 lap feature paying \$1000 to win any pre-entered Pro Compacts not wishing to compete in the 50 lap event may request a full refund of their entry fee by contacting the track. Deadline to request a refund is Sept. 20<sup>th</sup>.**

**The day's activities will also include a fan appreciation period that will consist of an on track meet and greet the drivers, many of whom will have candy and autographed pictures to give away, along with big wheel races and a nickel scramble for age groups 3-4, 5-6 and 7-8.**

**Additional information will be made available as soon as it is finalized.**

**Any teams wishing to add their names to the entry list may do so by filing out the online entry form on the website or simply show up on race day to fill out your entry and pay your fees. Payment for the late entry may be made on race day.**
