

Indiana/Ohio Shootout Series disbands

The Indiana/Ohio Thunder Car Series has officially ended operation. The series was designed to combine Thunder Cars from Mt Lawn, Anderson and Shadybowl speedways to run for sponsored series point fund. According to series officials the loss of two major sponsors created a void that could not be overcome. Thunder Cars will continue to run at Mt Lawn, Anderson and Shadybowl. Mt Lawn will continued run the series rules as posted on the Mt Lawn website for the remainder of 2019 but it is planned at this time to revert back to 2018 Mt Lawn Thunder Car rules in 2020.
